

Nova Learning Academy - Student Handbook 2026

1. Attendance Policy

Students must attend at least 75 percent of classes to sit the final exam.

Three late arrivals (more than 10 minutes) count as one absence.

Medical leave requires a doctor's note submitted within 3 days.

2. Assignment Rules

Assignments are submitted through the student portal before 11:59 PM.

Late submissions lose 10 percent of the marks per day, up to 3 days.

After 3 days a late assignment receives zero marks.

Plagiarism leads to zero marks and a meeting with the course coordinator.

3. Grading

Final grade = 40 percent assignments + 20 percent quizzes + 40 percent final exam.

Grade A starts at 85 percent, B at 70 percent, C at 55 percent.

Students below 55 percent may take one re-sit exam per course.

4. Contact
